One elephant went out to play, 1,2,1,2.
Swung on a spider web, all through the day, 1,2,1,2.
Tapping and clapping and having some fun. 1,2,1,2.
Let's get another elephant to come.

Two elephants went out to play ...,
Let's get another elephant to come.
Get another one, get another one...

THE KERCHIEF

In my hand I hold a kerchief
Flower in every corner.
I will throw it to my sweetheart,
If I ever find her/him.

No, not this one, and not that one,
He/she's not worth a kiss.
I will give my fancy kerchief
To my chosen Miss/Mister.

A GIRL WENT WALKING

Gently skipping, flowers picking,
To the woods she came.
There a hunter was a' lurking,
Waiting for his game.

Hunter, dearest, how I love you,
You must be the one.
I would share my lunch so gladly,
But it is all gone.

Tahreera, oyra, tahreera,
RAHZ,(1) DVAH,(2) TSCHI.(3)
